Across all forces in England and Wales, there were almost 3,000 reports of criminal behaviour between 1 April and 19 July in which those suspected of 'assassinating' or plotting to 'intentionally harm' police officers were suspected to be using social media. The number of 'suspicious deaths' of police officers is up 976 on the same period last year, while the total for this year is up 130 on the same period last year and above 5,700 compared with the year before. 6d1f23a050
