
Bootstrap Studio License Key

note: if you are using bootstrap studio on a tablet, you should be aware that the license key is stored in the bootstrap studio app. when you leave your tablet unattended, or your company upgrades software on your tablet, the bootstrap studio app can be corrupted. in this case, you must contact a support representative to request a new key. to get a license key, you must be a subscriber to the bootstrap studio subscription. you can buy a free trial of the subscription for 90 days, but that's all. if you decide to purchase a subscription after the trial, you'll need to provide your credit card information and verify your email address in order to buy a subscription. if you're new to bootstrap studio, we recommend that you try out the free version first. the free version of bootstrap studio includes a free subscription to bootstrap themes, styles, and plugins for 3 months. as a subscriber, you can use the bootstrap themes, styles, and plugins in any one- or two-page website. if you like the free version, you can upgrade to a paid subscription that includes all bootstrap studio themes, styles, and plugins for your entire website. for more information about the bootstrap studio subscription, please check out the bootstrap studio subscription page. if you have a valid subscription to the bootstrap studio subscription, you can download the bootstrap studio app from your bootstrap studio dashboard and use it to purchase a license key. you'll need to have a credit card on file in order to purchase a license key, but you can use any credit card. if you don't have a credit card on file, you can still buy a trial of the bootstrap studio subscription.
