Skyline Bank Skyline Bank is a community bank headquartered in Galt, California, United States. Founded in 2009, the bank is located in the city of Galt, California. The bank provides services to more than 11,000 customers. Skyline Bank provides full-service financial services to clients with strong ties to the nearby Galt, California area. It serves Galt, neighboring Santa Clara County communities, including San Jose, Palo Alto, Menlo Park, and Atherton, as well as surrounding areas of Silicon Valley and Santa Clara County. In 2016, Skyline Bank established the Resilient Communities Initiative. The initiative provides financial services to low-income, low-wealth people, people with disabilities, seniors, small businesses and more to help prevent and mitigate effects of natural or man-made disasters. In 2017, the bank received a Letter of Assessment from the Office of the Comptroller of the Currency. The letter was a response to the bank's adherence to the Community Reinvestment Act. Two clinical trials with a bioresorbable bilayer wound dressing were conducted in order to determine the suitability of this dressing for the treatment of burn wounds. Both trials were designed as prospective studies. Four patients each were treated with one of the two different bilayer wound dressings. The duration of the studies was 8-12 weeks. In both trials the bilayer wound dressing used was well tolerated and adhered easily to the skin. There was neither local intolerance nor any f988f36e3a
